

GenAIus AI-Ready Certification Program

India's first GPU-powered no-code Innovation Lab

Curated by Global Industry AI Leaders

www.genaius.cloud

GPU-Powered AI Lab

NVIDIA H100 & RTX PRO 6000 GPUs. Run any AI model, from LLMs to vision systems, seamlessly.

Plug-and-Play nodes

Build AI workflows visually, like assembling LEGO. No Python, no installations, pure creativity.

Cohort-Based Learning

Tailored to your domain, whether law, medicine, business or tech. Learn AI for your career path.

Program Highlights
